## *Welcome Message*

*On behalf of the Leadership and members of NSF (UK), it is my pleasure to welcome you all to our first ever Virtual Family Fun Day. This event has been organised in place of what would have been our 9th Annual Sports and Family Fun day. As you all know, the World has been thrown into turmoil as a result of this unforeseen and unfortunate global pandemic that we currently face. Many major annual events have been shelved because of this. Events like Wimbledon, Glastonbury, Notting Hill Carnival and even the Olympics! We were determined to work around the circumstances to offer our members, friends and family the 'next best thing'. It's aimed at bringing our Community together and having lots of fun.*

*We are very proud of the achievements and the impact NSF (UK) has made since inception 8 years ago. Our current membership includes over 50 UK-based Old School Students Associations from all over Nigeria. Over the years, we have raised thousands of pounds for our members to do a variety of projects at their alma maters back in Nigeria. We are actively involved in a Book Drive initiative which is aimed at raising Literacy standards in Nigeria. Last October, we successfully launched our NSF (UK) Excellence in Education Development (NEED) project for Teacher training in Nigeria. We have also helped a number of Charities and small businesses to reach wider audiences, increase profitability and enhance their services.*

*Today's programme though Virtual, is packed full of fun events including Music, Talent Shows, Gele tying, Raffle Draw and the ever popular Catching the Train. It's a mixed bag, specially designed with something for everyone. I guarantee that you will have a great time enjoying it with us from wherever you are in the World.*

*I would like to take this opportunity to thank our Special guests, our sponsors, advertisers, media partners and all attendees for helping to make it a success.*

*Have fun!*

*Bim Babarinde  
Chief Operating Officer  
Nigerian Schools Foundation (UK)*
