## Breaking news Education Seminar 2019 - 5/10/2019

- **Theme: Education, Leadership, Governance and Excellence**
- **Launch NEED- NSF School improvement Programme**
- **Hear about school governance, the transformative impact of leadership and governance**
- **Successful school leadership in Nigeria**
- **Case stories from Nigeria and other areas , networking, have your say**
- **Contribute to making your school great to excellent**

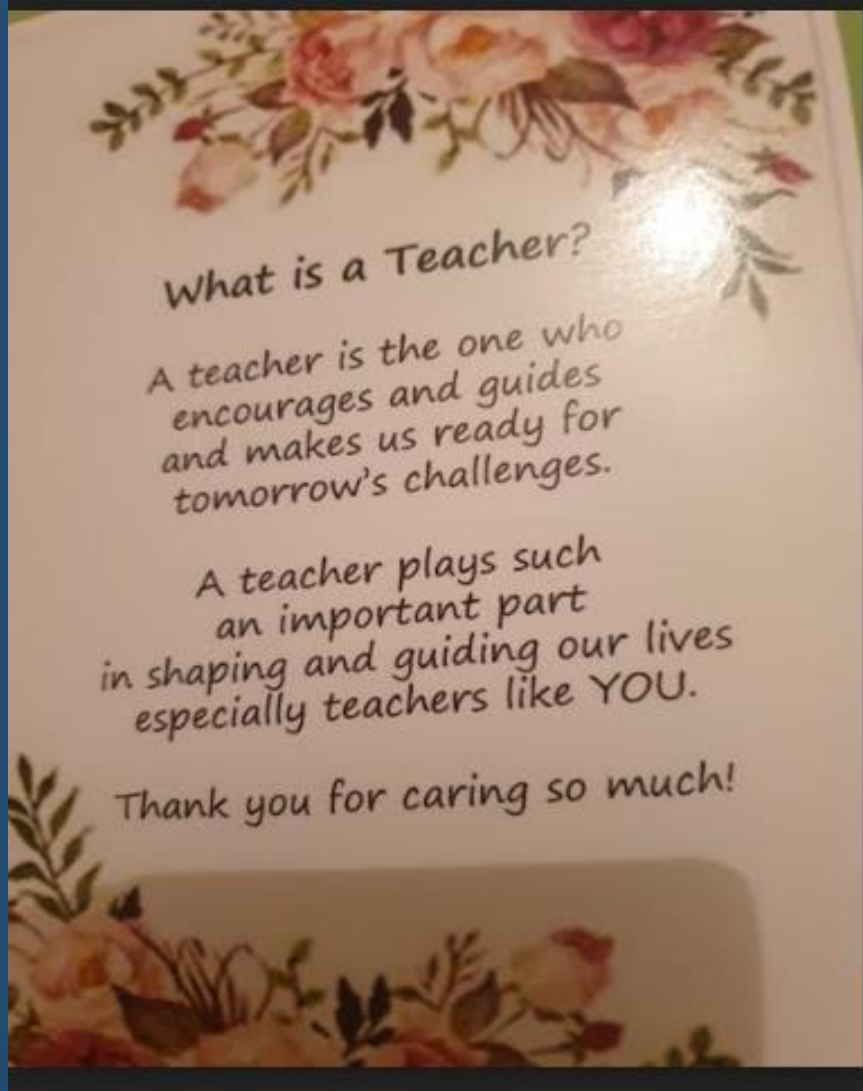

# Achievements so far

- Held seminars/workshops; themes include private education, education needs of future generations Nigerians and the role of digital technology in schools.
- Launched the NSF (UK) Excellence in Education Development (NEED) initiative (a school improvement project) which is currently in pilot phase and will launch in late 2019.
- The focus of the development is to provide expert training, coaching, resources and support to any interested Nigerian secondary schools (working with their NSF school representatives and senior management teams).
- For more information, to support the work of the NEED or if you wish to join please contact

**education@nsf.community**
