

BAOSA UK

How well do you know Baptist
Academy?

Governance & Leadership

- Who has the ultimate oversight of all Baptist Academy systems and structures?
- The Directorate of the Baptist Mission.
- Which of the following have the greatest influence on what goes on at Baptist Academy and what roles do they play?
- The Baptist Mission take vital decisions through the Governing Council on all matters relating to:
 - Infrastructure Development
 - Staffing
 - Salaries
 - Bills/Expenses
 - New Development
 - Redeployment and provision of corporate social responsibilities to the community

Student Performance & Teaching

- How well are Baptist Academy students performing in comparison to other schools and expectations?
- In the last WAEC Examination, we have students who exceeded the curriculum target set, by achieving an A1 grade in all subjects. However, this is below the expectations of the Principal who aspires to have all students achieving an A1 grade in all subjects.
- Who can Baptist Academy work with if they are planning to support the improvement of teaching and learning?
- Experienced educationalists among the Alumni and school management team.
- NGO's with educational experience can also play a part.

Alumni Support & Influence

- **As an alumnus wishing to support Baptist Academy, what are your expectations of the school?**
- It is expected that the school co-operates with the BAOSA UK to provide an enhanced learning environment to improve on academic achievement through recognition and continuous maintenance of any equipment supplied.
- To work in collaboration with the school board, PTA, and the Baptist Mission to ensure an environment conducive to an outstanding education.
- **How can we, as Alumni, influence the governance/leadership of Baptist Academy?**
- By motivation, communication, finding new initiatives and better working practices incorporating; new IT initiatives and industry best practice. This will lead to improvements in the quality of teaching, boosting morale and confidence of the teachers and, as a result, this will positively impact the students ability to learn.
